**Matters Arising:** Masters Interclub – Good response on the whole. Next time if sufficient numbers may be split and have men's & women's nights.

Discussion on use of Zone funds. Response received from 4 clubs. 3 happy for some funding to go towards three junior reps. One against.

Waitara were happy to have some funding go towards the rep players as juniors are the future of the clubs.

H Gray said on first thoughts supported funds to go to junior rep players but on further thought perhaps better to go back to support all clubs.

Discussion held. Suggestion that funds be used as prize for a tournament series in Taranaki (for tournaments already on the calendar) to encourage more people to play tournaments.

This idea to be discussed further.

After much discussion general consensus was not to fund the junior reps.

J Andrews reported that she had been to the bank to change the postal address of the account.  
We require a letter to the bank signed by two current signatories.

Also noted that we are receiving monthly statements and getting charged for these.

The options suggested are:

1. Allow view only internet banking and have electronic statements. – this requires a letter signed by two current signatories nominating a person to have viewing rights. The nominated person is issued with a cashflow card.
2. Have 3 monthly paper statements – no charge for this.

“That the Zone set up view only internet banking with electronic statements, J Andrews to be the nominated person to have access to view only Internet banking.” P Laing / J See Carried.

“That a letter be written to the TSB to set up View only Internet Banking with electronic statements and to change the postal address.” J Andrews / J See Carried.

Men Div 1 going ok – couple of pull outs in the last couple of weeks.

Problem at Stratford with amount of supper provided.
